

August, 2009

Dear Valued Client,

On August 4, 2009, Monogram became a valued part of the LabCorp family. Monogram will retain its name and current HIV and oncology product offerings. You should see no disruption of the excellent services Monogram provides you. Please be assured that you can:

- Continue utilizing the same test request forms or ordering processes that you have used in the past for HIV and oncology testing
- Continue to use the same online reporting methods (vLink) for receiving your patients' diagnostic results
- Access Monogram's customer service center by calling 1-800-777-0177

Monogram is dedicated to providing you with a level of service and laboratory expertise unsurpassed in the laboratory testing industry. Our goal is to enhance our service offerings through the combined strengths of both organizations. Monogram and LabCorp are well-positioned to provide the highest quality clinical laboratory testing along with the newest technology for improved patient care.

We appreciate you trusting your patients to Monogram and LabCorp. If you have questions, concerns, or comments regarding this announcement, please feel free to contact your Monogram or LabCorp representative directly.

Sincerely,
